

DER STANDARD  
RONDO OPEN HAUS

## The magazine for Living, Architecture and Design

RONDO Open Haus is all about personal tastes and answering the question of “What makes a house a home?”. In very personal interviews, various celebrities let us peak into their homes – unvarnished and authentic.

Complimenting these reports the reader will find articles about extraordinary architecture and home accessories. Interesting reads about international construction projects, urbane and country living styles or the “ABC of interior design” offer something for everybody.
