Dear Mr Wong,

**Re: Anonymous Complaints based on Newspaper Reports  
in relation to Mr Edward Snowden**

---

Thank you for your letter dated 8 March 2017, which I received by post on the afternoon of 10 March 2017.

I will require more time to address this matter to address this anonymous complaints with reference to 4 (four) newspaper articles, but also to address the very wide scope of questions.

I am also in the process of identifying specific relevant information and documents that I will require disclosure of from the Hong Kong Bar Council and will revert to you shortly with such request.

Under all the circumstances, I formally request an extension of time up to and including 10 May 2017 to address the Standing Committee on Discipline requests.

Yours sincerely

---
